

Love **WILDLIFE**?

Like working
OUTDOORS?
in **ALL WEATHERS**?

Want to get **PAID**?
AND get **QUALIFIED**?

If you can say YES! to these questions
you could have a career in wildlife
conservation.

We want to change the face of urban
conservation in Birmingham and the Black
Country to reflect the talent and diversity
of our community.

We're recruiting trainees for 12 month
placements with paid bursaries - see over
to see if you're eligible to apply for the
Natural Prospects programme.

We are delighted to have been awarded a National Lottery Grant of £544,900 from the Heritage Lottery Fund to deliver the Natural Prospects programme. Thanks to money raised by National Lottery players, this work based practical training will equip 24 trainees with the skills to gain an entry level role in the urban conservation sector including a City & Guilds Level 2 Work Based Certificate in Environmental Conservation.

Working in partnership with Birmingham, Walsall and Wolverhampton Councils, The Wildlife Trust for Birmingham and the Black Country are providing a series of one-year practical conservation training placements to highly motivated trainees with a keen interest in wildlife, conservation and connecting communities with nature.

To be eligible, you must be 18 or over and either;

- **a non-graduate, or**
- **in receipt of benefits/from an economically deprived area, or**
- **from a black or minority ethnic group**

Volunteering experience outdoors or with a community group will be beneficial

For more information contact Jen on jennifer.j@bbcwildlife.org.uk or 0121 523 0094

It is highly recommended that you come along to one of our taster days. See website for full details.
